2011-2012 Panamera 4  
2010-2012 Panamera 4S  
2010-2012 Panamera S  
2010-2012 Panamera Turbo**

Dear

This notice is being sent to you in regards to the Porsche AH08 Recall - Replacing Fastening Screws for Camshaft Controllers. Porsche has determined that a defect, which relates to motor vehicle safety exists in certain model year 2011 Cayenne S, 2011 Cayenne Turbo, 2011 - 2012 Panamera, 2011 - 2012 Panamera 4, 2011 - 2012 Panamera 4S, 2010 - 2012 Panamera S, and 2010 - 2012 Panamera Turbo models. The affected vehicles have camshaft controllers that may come loose inside the engine.

Porsche is currently conducting a safety recall, and according to our records, you were a previous owner of one of these affected vehicles. If you have previously incurred any expense in relation to the camshaft controller recall, you are eligible for reimbursement. Please review the provided Porsche AH08 Recall Camshaft Controller Claim Form for further instructions on the reimbursement process.

Please find the listed contact information on the Porsche AH08 Recall Camshaft Controller Claim Form should you have any questions.

Very truly yours,

A handwritten signature in black ink, appearing to read "Glenn Garde".
